Year Program Established:	1988
Residency Setting:	Urban
Residency Positions for 2007-2008	Approved: 24 Funded: 24
Internships Linked to 2-Year Residency	St. Barnabas offers FP special emphasis
Residencies Offered in Other Specialties	Emergency Medicine, Radiology, Surgery, Internal Medicine, Dermatology, Neuromuscular Medicine
Program Description:	
Emphasis is placed on longitudinal approaches to patient care and clinical education. Residents develop continuity practices through a free-standing community health center under supervision of the family practice faculty. Flexibility is built into the program, providing the resident with specific fields of interest. Overall, the program prepares the individual for the certifying board exam and individual practice interest.
